RETAIN THIS CARD FOR YOUR RECORDS

MITS has designed and produced its products to give quality and reliability. If for some reason your unit is not working properly, it should be returned to our plant for repair. If service is required, please pack your unit securely and A LETTER MUST BE ENCLOSED, TELLING US THE SPECIFIC PROBLEM YOU ARE ENCOUNTERING. Any assembled unit which proves to be defective within 90 days of purchase will be repaired or replaced, at MITS' option, free of charge. Any unit purchased in kit form which proves to have DEFECTIVE PARTS within 90 days of purchase date will have those parts repaired or replaced.

This warranty does not cover damage resulting from accidents or abuse of the unit or from failure to follow use and care instructions. The warranty will not be in effect if there are ANY modifications to the basic design of the unit.

If the unit is returned for repair, the purchaser must pay ALL postage.
